

"A Child's Smile"

This is the 6th year for our "A Child's Smile" program. Scrip cards to Wal-Mart and other donated presents will be given to children of local rural families in need who otherwise won't experience the joy of Christmas. Last year we provided over \$8,253 in gift cards, warm mittens and caps, and other presents to 195 children. I am challenging St. Olaf's congregation to match the contributions I am receiving from the community. Make contributions payable to St. Olaf's and designate to "A Child's Smile". Send to the church or put in the offering plate. Contributions must be received by Dec. 13th. Rog Johnson
