

ACKNOWLEDGMENTS

Thank you First Lutheran Church for your vision and generosity of investing in a Doctor of Ministry Program for your pastors and congregation. Thank you to my wife, Kris, and our three sons, Timothy, Daniel, and Samuel. I am grateful for your understanding and flexibility for the weeks away for class and months of writing. Thank you to Doug Pauls for your discernment with the big picture, flavorful editing, and wise counsel during stressful times. Thank you to Dr. James Dean and Dr. Hannah Dean, for your detailed work in editing, providing direction, and making it a work of a much higher caliber than I could create alone. Thank you to professors, Robert Logan and Eddie Gibbs, whose inspiration have profoundly impacted the fruitfulness of First Lutheran Church in making, maturing and mobilizing disciples into apostolic mission.
