

# A Child's Smile

January 7, 2026

This year's **A Child's Smile** effort provided a Christmas for 1,237 public school and home school children from 671 local families facing difficult times this Christmas. 100% of the \$61,850 received from our generous community organizations, foundations, and individual donors was converted to Walmart gift cards to provide Christmas joy to children from families experiencing difficulties. The children and families are anonymous only known by school counselors.

We would also not be able to have this program without the partnership of the teachers and counselors in 25 of our local school districts and schools. The schools select the families in need and ensure that a responsible parent or caregiver in each family receives a \$50 Walmart gift card for each child in their family so they can afford to buy Christmas presents for their children. The number of kids in each school or school district that received a Christmas gift this year because of the **A Child's Smile** program are listed below. Also listed are the organizations and businesses that partnered with us.

In addition, about \$1,500 worth of both hand knitted and mittens were also donated. They were dispensed by the schools as needed to the kids who lose them or come to school without warm clothes. Also, about \$750 worth of toys, dolls, stuffed animals, and model train sets were also donated that were gifted to kids in need through the schools.

The schools, families, and I express our heartfelt thanks and appreciation for the partnership and generosity of our communities in **A Child's Smile**. We wish you could read all the letters of appreciation we have received over the years from schools and families.

We are sending you this report even if you didn't partner with us this year because the need grows each year, and next year we will again be joining with our communities and local schools to serve as many local families in need as funding will allow.

We realize you have many charitable giving options, but, if you like a program that is local, is for kids, and where 100% of the contributions go to the families, we hope you will consider **A Child's Smile** when Thanksgiving and Christmas, 2026 rolls around.
